Racial Incident Reporting Policy

Headteacher: Mrs Stephanie Hayward
Chair of Governors: Mrs Karen Stevenson

Ratified: May 2018
Next Review: May 2021

Policy written by: Tom Hardwick

“We must provide the best to ensure our pupils can achieve their best”

This policy has been developed being mindful of our aim to provide an excellent education for pupils of all abilities and backgrounds in the context of Christian belief and practice.

1. Roles and Responsibilities

- The governing body is responsible for monitoring the policy.
- The Headteacher is responsible for implementing the policy and procedures.
- All members of the school community are responsible for following the procedures.
- The LA will advise schools on the management of racial incidents and the findings from its monitoring.

2. Recording the Racial Incident Investigation

The Headteacher has overall responsibility (which may be delegated to an appointed senior member of staff) for managing racial incidents. She should ensure that the school has:

- Made it a requirement to investigate, record and report where there is a perception that a racial incident may have taken place.
- Communicated the school’s commitment to tackling racial incidents to all members of the school community, including provision for this procedure to be made available in community languages where appropriate.
- Completed the Racial Incident Monitoring Form (see Section C) as soon as possible after an incident has taken place.
- The online Racial Incident Form for the Department for Education should also be completed.

The Racial Incident Monitoring Form should be kept in a confidential central file for internal monitoring purposes. It should not be sent to the LA. These forms will be kept for 25 years.

3. Management of Racial Incidents

Guidelines from the Department for Education can be accessed from:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/409061/preventing_and_tackling_bullying_october2014.pdf

a) Considerations for All Incidents:

- Investigate the incident thoroughly.
- Record the incident on a Racial Incident Monitoring Form (see Section C) in any instance where the victim or perpetrator is a pupil.
- Keep the situation under regular review to ensure that any harassment, abuse or victimisation has stopped and that the victim feels safe.
- Consider any curriculum implications, including the need for a special assembly or changes to the school’s behaviour code or other policies.
- Support for the Victim (if a pupil). *See 4b.*
- Support for the alleged Perpetrator (if a pupil). *See 4c.*
- Consider if there is a child protection issue in this case.
- Consider seeking advice from the Local Education Officer.

b) Support for the Victim (if a pupil)

- Take appropriate action to offer support to the victim.
- Meet with the pupil's parent(s)/guardian/carer to discuss the matter and explain the action taken. An interpreter/translator may be needed at the meetings.
- Reinforce the school's commitment to tackling racist incidents.

c) Support for the alleged Perpetrator (if a pupil)

- An appropriate member of staff should intervene and take immediate action, for example, separating the victim(s) from the perpetrator(s).
- Any racist behaviour should be challenged immediately. The perpetrator should be told that his/her behaviour is unacceptable and will not be tolerated.
- Appropriate action should be taken to support, educate and monitor the behaviour of the perpetrator to ensure that the racist behaviour will not be repeated.
- The incident should be reported to the Headteacher and he/she should decide whether any further action needs to be taken, including notifying the police and informing the parent(s)/guardian/carer of the relevant pupil(s) of any investigation and the outcome.
- The Headteacher should consider the use of a full range of sanctions including the use of fixed term or permanent exclusion.
- Discuss the incident with the alleged perpetrator's parent(s)/guardian/carer (if appropriate) and reinforce the school's commitment to tackling racial incidents.

d) Dealing with Members of Staff as alleged Perpetrators or Victims

All members of staff are required to abide by the School's Equal Opportunities and Race Equality Policy. Substantiated racial discrimination by any member of staff towards pupils may be considered as misconduct and the perpetrator may be subject to disciplinary action. In the event of such an allegation being made against a member of staff, the Headteacher or his/her nominee should investigate the allegation in accordance with the relevant Disciplinary Procedures. All members of staff have the right to use the school's grievance procedure if they suffer discrimination and cannot get satisfactory management support.

The governing Body and Headteacher have a duty of care towards employees, and must ensure that they address any complaints from employees about discrimination by pupils, parents or colleagues, and provide appropriate support and referrals as necessary.

e) Dealing with Members of the Public as alleged Perpetrators

Racially motivated conduct by members of public requires an immediate response. The following procedure is to be followed in cases of racial incidents involving a member of the public:

- The incident to be reported to the Headteacher as soon as possible.
- The police to be informed of incidents involving violent, threatening or abusive behaviour.

4. Managing the impact of racial incidents in the school and the community

- Racist graffiti or slogans should be reported and removed immediately or within 24 hours.
- Racist literature, badges and insignia should be confiscated immediately, giving a clear explanation setting out the reasons why the property has been confiscated. The

confiscated property should be handed to the police in criminal proceedings or returned to the pupil or his/her parents at an early opportunity, as appropriate. A teacher may not deliberately destroy a confiscated item unless such action is necessary in the immediate interests of safety.

- If the incident has caused damage or is seen as a threat of damage to a person or property, it may be appropriate to call a special meeting either with staff only or with pupils to discuss what has happened. Support and advice may also need to be sought from the Local Education Officer, the Police, the local Racial Equality Council, a Victim Support group or another appropriate agency. See section A17.

5. Reporting to the Police

Violent, criminal or other serious racial incidents may be reported to Kent Police. This applies to all racial incidents brought to the attention of the school, regardless of the relationship of the parties to the school. Kent Police have the discretion to decide to pursue action based on incidents.

Violent, criminal or serious incidents should also be reported to the LA through the Local Education Officer.

6. Reporting information to parents, governors and the LA

The governing body will receive a termly report on any racial incidents in the Headteacher's report to governors

The school will report annually to the LA on racial incidents during the preceding year. The LA will send a data collection form to the school for this purpose and ensure that schools, together with senior LEA officers, are informed of the outcomes of its monitoring, so that any trends or concerns can inform school planning and curriculum development.
