

Fulfilling God-given potential

Dear parents, as you know our four school values are responsibility, kindness, honesty and respect. We make sure that every child, regardless of their age, learns what each value means and how they can demonstrate that value at home, at school and when they are out and about!

This year, we have decided to focus on one value each term both in class and as a whole school during worship.

As there are six terms in the year, we will be asking for your help in deciding upon a couple of 'guest' values.

Autumn Term 1

During Autumn Term 1 (September to October) we focused on the value of **responsibility**.

We began the term by focusing on the different responsibilities we have within school. We discussed the different roles the adults have in school and then began focusing on the different roles and responsibilities children have including: House Captains, Prefects, School Council, Play Leaders, & the Recycling team.

In the bible we read that Jonah was given a responsibility by God but instead of doing what he knew he should, he ran away. Eventually Jonah realised his mistake, made the right choice and ends up changing the lives of many people for the better because he listened to what God had asked of him.

Autumn Term 2

During Autumn Term 2 (November to December) we focused on the value of **Kindness**.

We began the term by focusing on the different ways that we can be kind to one another in class, on the playground and at home.

With the build up to Remembrance day we discussed the kindness and the bravery of the men and women who have given their lives fighting in wars for us to have our freedom .

In the Bible we read about how in an extreme act of kindness God sent his son Jesus to earth as a baby in the knowledge that when he grew up he would sacrifice himself on the cross for all of us.
