

Home Learning Bank

In order to support both you and your child over the coming weeks we have compiled a huge bank of home learning activities. The vast majority of these activities are online and can be accessed using a desktop, laptop or tablet computer.

A 'rough' timetable

We have had a number of parents ask us for a rough timetable that they could use at home that matches a 'normal' school day.

8:50-9:15 Daily Basics (Handwriting, times tables)

9:15-10:15 English

10:15-10:30 Break

10:30-11:00 Reading and Reading activities

11:00-12:00 Maths activities

12:00-13:00 Lunch

13:00-15:00 Afternoons are usually spent working through a variety of different subjects including: Science, Art, Geography, History, RE, DT, Foreign Languages, PE and Computing

15:00-15:15 Class Teacher reads to the children.

Twinkl

If you click the link below you will gain access to the Twinkl Home Learning Hub. This hub gives you a daily timetable of activities that your children could access. There are some live lessons and some worksheets. We appreciate that not every household will have a printer so do not worry if you can not print off the worksheets. There are more links below with other activities that do not require printable worksheets.
