Our Curriculum

Year 3: Autumn Term 1

This newsletter is to inform you about the curriculum content for this term for your child. We hope you find this to be informative and are sure that your child will enjoy talking with you about their learning.

English

Literacy Tree books:

Leon and the Place Between

The First Drawing

During the term we will be focusing on developing our reading and writing – we will be working on ensuring our use of grammar and punctuation is accurate and will be focusing on our fluency of reading to apply this to writing.

Maths

White Rose:

During this term, we will be focusing on developing our knowledge of place value and of addition and subtraction.

We will be using a range of models and manipulatives to support us to develop our learning.

We will also be beginning working with Number Sense to help us to develop our recall of number facts.

Science

Across the term, we will be focusing on a unit called Animals, Movement and Nutrition. We will develop our knowledge of animals, how they move and what they need to survive effectively.

We will use research skills and develop aspects of scientific enquiry to support us to develop our learning.

Wider Curriculum

History: The Stone Age

RE: Christianity People of God,

Art and Design: Gestural drawing with charcoal

PSHE: Family and Relationships

Computing: Computer systems and networks

Ways to help your child at home:

Please hear your child read everyday and encourage them to engage with Times Tables Rockstars.
