## Our Curriculum

### Year 3: Autumn Term 2

This newsletter is to inform you about the curriculum content for this term for your child. We hope you find this to be informative and are sure that your child will enjoy talking with you about their learning.

## English

### Literacy Tree books:

The Barnabus Project and The  
Tear Thief

We will be using these texts to inspire effective writing, developing our sentence structures along with the use of punctuation and appropriate grammar.

## Maths

### White Rose:

Multiplication and Division

We will be developing our learning of multiplication and division, building on our learning from last year. We will be focusing on understanding multiplication and division as well as recalling times tables facts.

## Science

Forces and Space

Forces and Magnets

Skills to enquire scientifically will be developed during this term.

We will be looking what forces exist to understand the impact of how forces act on objects using experiments to develop our knowledge.

## Wider Curriculum

Geography: Climate and Weather

PSHE: Family and Relationships

Computing: creating media – Stop Frame animations

PE: Football and Indoor Athletics

## Ways to help your child at home:

Please hear your child read everyday and encourage them to do Times Tables Rockstars and Spelling
