

St Matthew's High Brooms

CE Primary School

Notices

We have double P.E. on a Monday afternoon.

Forest School for 5B is on 14th November. Forest School for 5K is on 21st November.

Our Curriculum

Year 5: Autumn Term 2

This newsletter is to inform you about the curriculum content for this term for your child. We hope you find this to be informative and are sure that your child will enjoy talking with you about their learning.

English

This term we are continuing with our book 'Curiosity' by Markus Motum. We will then be using 'The Man Who Walked Between The Towers' as our class text. It is a fantastic picture book by Mordicai Gerstein.

We will be using our text to write fact files, use journalistic writing, practise setting descriptions, write a letter of advice, a persuasive speech, and more.

Maths

We are moving onto multiplication and division. We will then begin fractions. We will look at equivalent fractions, mixed number fractions, and improper fractions. We will also learn to add and subtract fractions in all forms.

Science

This term our Science topic is the human life cycle. We will look at all stages of the human life. We will also use our scientific recording skills to create graphs that might demonstrate a link between age and height!

Wider Curriculum

In Geography we are looking at 'Changes In Our Local Environment' and will explore many aspects of the UK. We are exploring 'Incarnation' in R.E. We are also lucky to have Mr Tibbetts-Williams once a week to teach us art this term.

Home Learning

Please help your child at home by enabling them to read each night (20 minutes a night) and complete their Times Tables Rockstars challenges (5 minutes a night, 4 times a week).
